

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Contract Award for Construction of Berms (EUD 92-3)

MEETING DATE: May 6, 1992

SUBMITTED BY: Electric Utility Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for construction of oil containment berms to the low bidder Diede Construction, Inc., Woodbridge, California, in the amount of \$24,316.00.

BACKGROUND INFORMATION: On March 18, 1992, the City Council approved specifications and authorized advertisement for bids. Bids were opened on April 21, 1992 with the following results:

Diede Construction, Inc.	\$24,316
Claude C. Wood Co.	30,000
H. Max Lee, Inc.	33,210

The oil containment structures will be installed at Henning Substation around oil-filled electrical equipment to confine an oil spill or leak. Recent Environmental Protection Agency regulations require that equipment storing oil in volumes, as in this case, be equipped with a confinement system that will prevent an oil spill or leak to extend beyond the immediate area of the equipment and not migrate into the soil, the water table or the site drainage system.

FUNDING: Included in the Department's 1991-92 fiscal year budget.
